## NOTICE TO MEMBERS

### IMPLEMENTATION OF POS SYSTEM (REPEAT REMINDER)

The Club will commence implementation of the Point Of Sale (POS) system at all outlets in stages from 15th September 2019 onwards. Important action points for members :

1. Please bring your multi-purpose membership card to place F&B orders at all outlets. This applies to all categories of membership including eligible family members. Please ensure that the card is made available to the service staff at the outlet.
2. Members are not allowed to handover their access card to anyone else to utilise on their behalf. Please refer to the back of your card for T&Cs.
3. The service staff will not be able to serve members without the card as the card is the ONLY way to enable the staff to accept and place orders.

As we are in the inception stage, and are all new users of the system, please bear with us should there be any inconveniences during this period. Members are welcome to give their feedback via the feedback form available.
