NOTICE

MINIMUM MANDATORY SPENDING 2023

The newly elected General Committee hereby refers to the Notice dated 13th July 2023 on the waiver of the Minimum Mandatory Spending for the months of July – December 2023 (6 months – RM600).

The newly elected General Committee at the 1st meeting held on 20th July 2023 has unanimously decided that the said Notice of Suspension of the Mandatory Spending Ruling is to be revoked/retracted for the following reasons: -

- i. Any form of Waiver/Suspension requires the House to make a Ruling and cannot be done unilaterally.
- ii. Majority of Members had fully utilised the Minimum Spending and any Notice of Waiver will be unfair and improper.
- iii. Further it will have an impact on the Caterer.

In view of the above the Notice dated 13th July 2023 is hereby revoked/retracted.

We sincerely extend our apologies to the Members for the inconvenience caused.

Thank you.

The General Committee
