THE MANAGEMENT

A TIME FOR APPRECIATION

This is the time of the year when members of RKC can show our appreciation to the staff serving at our Club for their good and dedicated service which they have rendered throughout the year. There is no doubt that there are minor complaints and grievances now and then. Overall the staff have coped well although there is room for improvement.

We are blessed to have a large number of staff who have been with us for many years. As members are aware, tipping is not allowed or encouraged. Instead, we have demonstrated our appreciation to the staff with an annual gift and this has been the Club's tradition.

The General Committee wishes to notify that a sum of RM 25.00 each for the months of October and November 2023 will be debited (totalling RM 50.00 for 2 months) from the members' account for the staff's annual gift.

However there is no compulsion as we want members to give willingly and generously.

Any member who is not agreeable to the deduction should notify in writing to the office on or before 15th November 2023 (and this shall be treated as confidential).

The General Committee takes this opportunity to extend our gratitude to all RKC members for their kindness and generosity to the staff.

Thank you.

STOP DISPLAYING INSIGNIA OF PAHANG ROYAL AWARDS, MEDALS ON VEHICLES

Club members who are recipients of royal awards and medals from Pahang are reminded not to display or stick the emblems or insignia on their vehicles and to strictly adhere to this ruling.

The ruling on not displaying Pahang royal award insignia is in accordance with the state's Emblems, Titles or Awards (Prevention of Improper Use) Enactment 2017.

The Comptroller states that this order was in accordance with the decree by the state ruler, Sultan Abdullah Sultan Ahmad Shah, who is the current Yang di-Pertuan Agong.

The Comptroller of the Royal Household of the Sultan of Pahang has warned recipients that their awards or medals will be revoked for any offence.

At the same time members are also reminded that those found using fake titles will also be charged according to the same provision.
