UPCOMING MEDICAL FORUM IN JUNE, 2024 TOPIC: STROKE PREVENTION

Stroke is the second largest killer disease amongst Malaysians. Ischaemic stroke is the fastest rising cause of this condition. Dr Yow Kuan Heng, Consultant Vascular & Endovascular Surgeon from Pantai Hospital Kuala Lumpur & Sri Kota Medical Centre, Klang will be providing an enlightening talk on how to recognise the early warning signs of a mini-stroke (TIA) using the E-FAST system and how an operation called carotid endarterectomy can prevent major stroke and a lifetime of disability.

Dr Yow, a Royal Klang Club member, trained for 22 years in the UK and Europe as a Vascular Surgeon. He was an NHS Consultant in the UK for 8 years before returning to Malaysia to offer his expertise to fellow Malaysians. As an aortic and carotid specialist he has performed close to 200 carotid operations with excellent results. He has presented internationally and published articles in high-impact peer-reviewed journals such as the British Journal of Surgery. He is a Fellow of the Royal College of Surgeons of England.
