LAUNCH OF RKC 125th ANNIVERSARY LOGO

Royal Klang Club President Kenny Lee officially launched the unveiling of the RKC 125th Anniversary logo on Saturday, July 19, 2025 at a ceremony held at the Smugglers' Inn. With the theme 'Embracing A New Horizon', the newly unveiled logo reflects the spirit and aspirations of the Club as it continues to grow and evolve as the premier social and recreational institution in Selangor.

Kenny said the celebrations, which will kick off next year to commemorate the historic occasion, was not just a remarkable milestone for the Club but a bold step forward into a new era. He added that the 125th Anniversary celebration honours the Club's rich legacy while embracing change, innovation and inclusivity. Kenny reflected that 25 years ago the Club marked its centenary with the theme, '100 Years & Forward' (1901-2001), signifying a proud transition from its colonial-era roots to a truly Malaysian Club, welcoming members from all walks of life. That turning point paved the way for unity and progress.

Kenny said in the years since the Club has experienced a remarkable transformation, most notably by being bestowed royal status by His Royal Highness Sultan Salahuddin Abdul Aziz Shah, the then the Sultan of Selangor. He added that this marked the beginning of a new chapter, one of dignity and enduring prestige. The stylish 125th Anniversary logo proudly embodies this royal recognition, symbolising RKC's evolution into a regal establishment rooted in tradition, yet focused on the future.

"As we celebrate 125 years of heritage, we invite all members to reflect on our journey and look ahead with pride and optimism, united as a community and ready to embrace the horizon ahead." Present at the function were several past RKC presidents including Mr Sia Say Yee, Mr R. Nageswaran, Mr Lim Tee Pheow, Dato' Liew Chin Kwee, Dato Ang Ben Kiong and Mr Hotiyakumar Kandasamy. Others included RKC vice-president Serjeet Singh and the chairman of the RKC 125th Anniversary organising committee Mr K. Thavanesan, the newly installed General Committee members as well as the various sports captains and invited guests. Puan Khairoun Kamaruddin, the Club's long serving and retired accounts executive who served under various RKC presidents, was a special guest.

Mr Nageswaran, speaking on behalf of past RKC presidents, congratulated the Club on what he said was a significant milestone for an institution that has evolved into a landmark institution not just in the state but the country too. In a poignant speech, Mr Nageswaran said the much cherished Club, under the helm of its various presidents and the management team, had made many sacrifices and witnessed significant progress to its ever expanding facilities as RKC evolved over the years into a proud heritage institution.

He added that despite facing challenges, RKC had persevered and progressed tremendously over the years thanks to the astute leadership of its presidents and the unwavering support and steadfast commitment of its loyal members.

LAUNCH OF RKC 125th ANNIVERSARY LOGO

Mr Nageswaran said RKC also played a pivotal role in producing many sportsmen of excellence, notably Olympians and national-level sportsmen, and this bore testimony to its many contributions to the state and country. He wished the current RKC president, the GC and the 125th Anniversary organising committee all the best in their endeavours to move the Club forward.

Mr Thavanesan, the organising committee chairman of the 125th Anniversary celebrations, said RKC planned to organise several activities to mark the occasion including games with affiliated Clubs, a Family Day Run, the planting of a time capsule and a gala dinner to culminate the celebrations. He added that the Club had received enthusiastic support from members and corporate sponsors as RKC embarks on celebrating another memorable chapter in its distinguished history.

MALE SAUNA

We have observed damage to the male sauna due to improper use by some members. This includes the discarding of tissue in the sauna and a burnt timber block caused by placing dried pandan leaves near the heating element. Such actions pose a serious fire hazard and compromise both members' safety and damage to Club property.

We strongly urge all members to use the facilities responsibly to prevent further damage, inconvenience, or the need to impose usage restrictions.

THE MANAGEMENT

MEMBERS' WELFARE
