## **Royal Klang Club's 125th Anniversary Celebration**

Dear Esteemed Members of the Royal Klang Club,

As we look ahead to a remarkable milestone in our Club's history, it gives me great pleasure to share with you the plans for the 125th Anniversary Celebrations of the Royal Klang Club (RKC). Reaching 125 years is no small achievement, and it is only fitting that we celebrate this momentous occasion with the pride, dignity and unity that have always defined our Club.

Over the next year, the Organising Committee has planned a meaningful and memorable series of events, each designed to honour our heritage, celebrate our community, and strengthen the bonds that make RKC such a special place. To ensure that these activities unfold on a scale that truly reflects the Club's legacy, we seek the understanding, cooperation and support of you as members. This celebration belongs not to the Committee, nor to the Club alone but to every member of RKC.

### **Highlights of the Planned Celebrations**

#### **1. Royal Visit – August 2026**

We are deeply honoured that DYMM Sultan Selangor and DYMM Tengku Permaisuri Selangor will grace the Club with an official visit in August 2026. This visit will mark the formal start of our 125th Anniversary Celebrations.

To welcome Their Highnesses, the Club must be at its very best, well prepared, refreshed, and ready to showcase the dignity and heritage of RKC. Sprucing up the premises, ensuring smooth organisation, and presenting the Club in a manner befitting the royal visit will require collective commitment, planning and resources.

## **2. Invitational Inter-Club Games**

As one of the state's premier sporting institutions, RKC will be hosting Invitational Inter-Club Games featuring affiliated sporting Clubs from across the state and beyond. These events are intended not only to celebrate our sporting legacy but also to strengthen ties with fellow Clubs in the warm hospitality that RKC is known for.

## **3. Family Day & Fun walk**

Our celebrations (subject to availability of funds) will also include a Family Day and Fun walk, open to all members their families and guests. This event is designed as a joyful celebration of togetherness as an opportunity for all of us, young and old, to participate, enjoy, and feel proud to belong to a Club that values its members and cherishes its milestones.

## **4. Gala Dinner**

A gala dinner will be held at a venue outside the Club as a finale to the celebrations with lots of fun, laughter and entertainment. The Organising Committee is committed to working on a plan where the costs of the dinner will be kept to a minimal, but will be grand.

## **Why Your Support Matters**

The Organising Committee is committed to delivering a celebration worthy of RKC's 125-year legacy. However, the planned activities will involve significant expenses, and it would not be responsible for the Club to draw from existing operational funds, which are required for the ongoing management and upkeep of the Club.

For this reason, and after careful consideration, we would like to invite members to voluntarily contribute RM15 a month for a period of 12 months. This modest contribution, pooled collectively, will enable us to carry out the celebrations on a scale we can all be proud of without placing undue strain on the Club's finances.

Please be assured that this request is entirely voluntary, and we fully understand that circumstances may differ from one member to another. What matters most is the spirit of unity and cooperation as we prepare to mark a historic milestone where one that many of us may not experience again for another 25 years.

## **Together, Let Us Make RKC's 125th Anniversary Unforgettable**

We kindly appeal to your goodwill, understanding, and support to help make these celebrations meaningful and successful. With your participation whether through contribution, presence, or encouragement we can ensure that RKC honours its past, celebrates its present, and inspires its future. **Members contributing to this celebration will receive a special 125 years anniversary memento.**

**The Club will keep members updated and informed on the progress of the celebration with regular notices.**

On behalf of the Organising Committee, I thank you in advance for your cooperation and commitment. Let us unite once again just as past generations did to honour this remarkable milestone.

Warm regards,

**Kenny Lee Choo Hock**  
**President**
